Every man who constantly strives to improve himself and his environment is a potential Designer. Motivated by his gifts of life, heritage, and education, it is Man's privilege and responsibility to utilize this potential to further and uphold his dignity. In the distance of his life, if Man has realized his greatness, he will have achieved the ultimate and may be called "Designer."

administration

Mr. Kenneth L. Peters

enneth L. Peters, Superintendent of the Beverly Hills schools, is surely qualified for his position. Since starting as principal of Beverly High in 1950, he has initiated many new and progressive programs. Facilities far superior to those of most high schools have been planned and built. These advancements include the language laboratory, the U.C.L.A. program, the eighth grade algebra courses, and the even more recent team-teaching classes.

THE BOARD OF EDUCATION

he Fiftieth Anniversary celebration of our city, Beverly Hills, cannot be complete without giving special thanks to the Beverly Hills Board of Education. The Board strives to create a system of education second to no other in the country. The curriculum is kept under constant surveillance in order to challenge every individual student to achieve his maximum capacity. The Board of Education expects genuine leadership from the high school administration and provides a teaching staff composed of distinctly capable educators toward this end. It recognizes the paramount importance of health, citizenship, and character development.

Mr. Walter Willey

THE PRINCIPAL

DR. F. WILLARD ROBINSON

T

his has been another memorable year in the growth of Beverly Hills High School. A third of the students who entered this past September were new to the school. Soon they were assimilated into a student body numbering at times over 1800. The image of the Beverly Hills student continues to grow. True, not all of us fit the pattern; but, in general, a reputation is earned. Our image is one of intellectual excellence, scholarly responsibility, devotion to learning, and creative talent. I think most of us—students and staff alike—have felt a great responsibility to perform our individual roles with dedication and purpose. This WATCHTOWER presents the story of one of the great high schools of our land and of you who have helped make it so.

F. Willard Robinson

DEAN OF GIRLS

MRS. ROMAIN PAULEY

erving as Dean of Girls for the past thirteen years, Mrs. Romaine H. Pauley has effectively established cooperation and coordination of the student body in all social and academic activities. She is continuously giving of her time and energy to uphold the high standards for which Beverly is noted. In addition to her full schedule of advising and counseling the girls, Mrs. Pauley makes time to sponsor the Girls' League, Club Relations Board, and Student Council. Her services are a great asset to the Beverly High program; therefore, the WATCHTOWER staff embodies the feelings of the entire student body when we say we are proud to have this warm and gracious woman as our Dean of Girls.

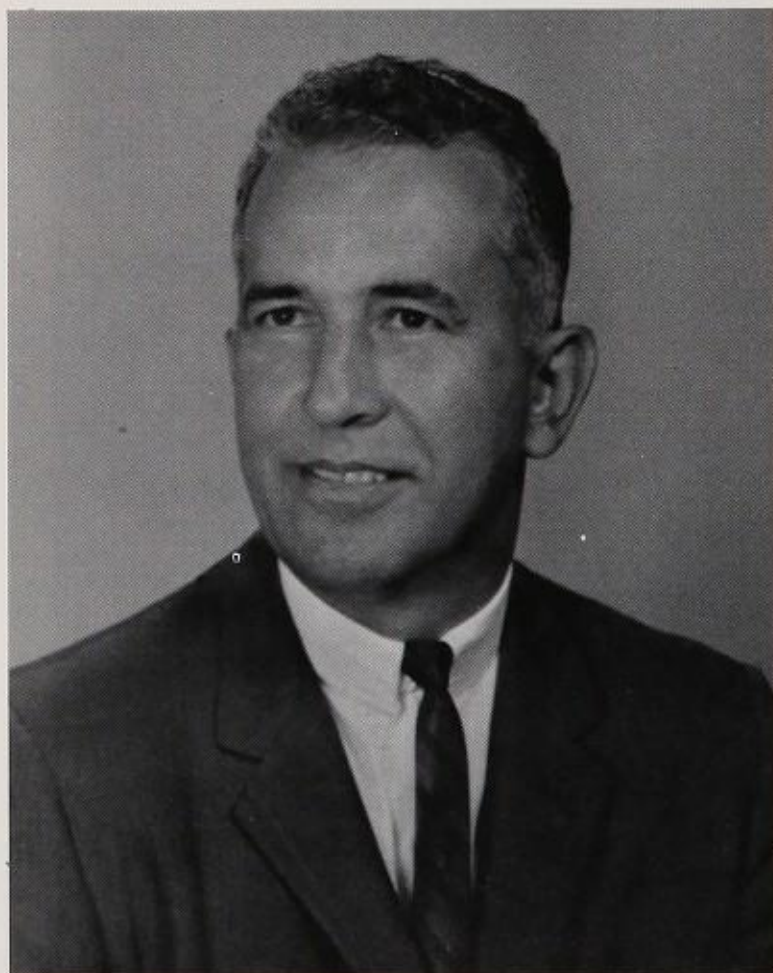

DEAN OF BOYS

MR. STEVE MILETICH

familiar figure to all Normans is Mr. Steve Miletich, who holds the position of Dean of Boys. His duties include supervising the Attendance Office, sponsoring the Boys' League and all its activities, co-advising the Student Court and the Student Council, and, most important of all, helping Norman boys with any problems that may arise. Mr. Miletich, or "Coach," as many know him, began his career at Beverly fifteen years ago as a basketball coach. His experience for this task came from his position as star guard on U.S.C.'s championship basketball team in 1942. From U.S.C. he went into the Navy where he served as a Lieutenant j.g. in charge of recruit training in Galveston, Texas, during World War II. Now, as Dean of Boys, Mr. Miletich is one of the foundations on which rest many of the decisions of a public high school such as Beverly.

THE GUIDANCE OFFICE

MR. LAWRENCE LYNCH

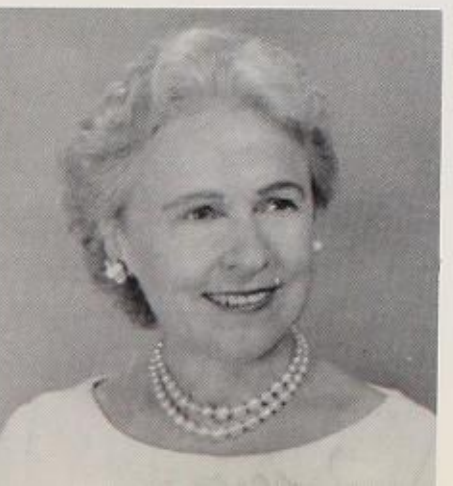

MR. JAMES KNAUER

MR. EDWIN ELLIOT

MR. WILLIAM HOAG

MISS ALIDA PARKER

MR. HARRY M. ALTER

... ASSISTANT PRINCIPAL

The Guidance Department, headed by Mr. Harry M. Alter, coordinates various student activities within the school. Mr. Alter arranges the Vocational Conferences in spring and acts as principal during summer school. He and Beverly's five fine counselors are concerned with the students' academic progress, and their educational and vocational plans. The Guidance Department is also credited with scheduling classes, programming students, interpreting transcripts, issuing work permits, and recommending students to college and for scholarships. Each student at Beverly has a counselor who personally follows his career through all his years of attendance. This year Mr. Lawrence Lynch counsels the seniors; Mr. James Knauer guides the juniors; Mr. Edwin Elliot is sophomore counselor; Mr. William Hoag will remain counselor with his freshman students until they graduate; and Miss Alida Parker counsels all the students who transfer into Beverly Hills High School from other areas.

THE ADMINISTRATIVE ASSISTANT

MR. JOHN MARROW

Mr. John Marrow, Beverly's Administrative Assistant, is both a busy and a successful man. After World War II, he came to Beverly as a director of athletics and head coach. In 1958 Mr. Marrow gave up his athletic position to take charge of Student Body finances. He is also in charge of the school maintenance and unclassified personnel. Since working with wood is his hobby, Mr. Marrow enjoys teaching woodcrafts during the summer. Being a civic-minded Norman, he is an active member of the American Legion, Secretary of the Kiwanis Club, and a past president of the Faculty Club. He is an outstanding swimmer and officiates at all National Swim Meets. Beverly is proud to have such an able and dynamic administrator to fulfill the many responsibilities that his job requires.

Many of us know that when we need school supplies we can get them from the Student Store; nevertheless, few of us realize the work and patience it takes to run this store. As Student Body Auditor, Mrs. Marie Goetz handles all A.S.B. money as well as purchases supplies for the Student Store. Under her supervision the Commissioners of Finance and other students run the store. This past summer Mrs. Goetz took a tour of the European countries.

MRS. MARIE GOETZ

SPECIAL SERVICES

DR. JOHN MORGENSTERN confers with essentially two kinds of students: 1) those about whom information is needed in regard to achievement and ability; and 2) those about whom there is some concern because of a problem which the student may have in relation to his work, his teachers, his parents, or any other aspect of his life. Students are referred to him by teachers, counselors, administrators, parents, or even by the students themselves.

MRS. MARGARET FALLAR, the school nurse, supervises the health of Beverly's seventeen hundred Normans. In order to help maintain and improve the health of the students, she counsels individual students with health problems, screens their vision and hearing, arranges for certain students to receive a physical from the school physician, and advises parents of needs for medical care.

MISS MADELEINE SEVENANS - understanding, patient, pleasant, and warm. These all describe the speech therapist at Beverly. Mrs. Sevenans helps students from all Beverly Hills schools to overcome embarrassing speech impediments through conscientious exercise and patient work. Her pleasant nature and easy going personality make Mrs. Sevenans a well-loved individual on the Beverly campus.

MR. J. E. SPARKS, Beverly's reading and study skills counselor, has the opportunity to work with students of all ages. At Beverly he supervises the reading and study skills classes which are taught by Miss Janet Patey and Mrs. Stelle Feuers. During first period Mr. Sparks discusses the classics with ninety students from grades nine to twelve. These discussions are held at the Board of Education conference room. At the present Mr. Sparks is State Chairman of the International Reading Association. During the summer he teaches speed reading at his own private school, Morgan Harris.

MRS. ANN MITCHELL, Home Coordinator, has a very complex and comprehensive job. She is particularly interested in students who have difficulties academically and socially. Mrs. Mitchell usually solves their problems by visiting the various homes and attempting to establish a connection between home and school relations.

student government

The Fall Semester of 1963 was truly exciting and rewarding for both myself and the Student Body. As school opened we looked forward to our first competition in the new Sky League. The first Student Body and League-sponsored event was Mum Day—a new Hello Day idea. The sale of rooster buttons was re-established under the Boys' League, and rooster buses transported enthusiastic Normans to all of our away football games. At the beginning of the semester our "great" pocket calendars were distributed, and candy machines were installed in both the English patio and the Foreign Language Wing.

Other highlights of the semester included the Blue Chip Stamp Drive for Albion Street, the all-school Talent Show, and the Fall Play, "Our Hearts Were Young and Gay." A Hootenanny was sponsored by the Student Body and was proclaimed by faculty and students a great success. Student Council worked hard laying plans for Sports Night, Jazz Night, and a new Pep Club. A Commissioner of Culture was established, and the Transportation was revised. Student Council also voted to change and improve our election procedures.

It was a busy and memorable semester, and I thank you all sincerely for contributing to its success. To Martie and Elaine go my deep and affectionate thanks.

This semester was a very rewarding one for me. It gave me the opportunity to work with many people, whether faculty or students. I feel I have profited greatly from working with you, the Student Body, and have gained a better insight on school life at Beverly.

I want to thank all of you who have so willingly given of your time and energy this semester for the elections. Registration was simplified for many of us, since the I.B.M. machine tabulated the names of those students who were registered. I feel we were able to reach our goal of having the highest percentage of registered voters and more candidates running for office than in previous years.

I would like to express my appreciation to the entire Student Body for giving me the privilege and pleasure of serving as your Vice-President. Thank you.

My sincerest thanks to you for a semester filled with wonderful opportunities, experiences, and friendships. Opportunities to plan activities and see these plans materialize provide a feeling of accomplishment that is its own reward. Experiences in serving and working with the administration and Dave and Elaine leave memories of understanding and cooperation. Friendships and enthusiastic support of the Student Body reflect a faith and confidence without which an administration cannot be successful.

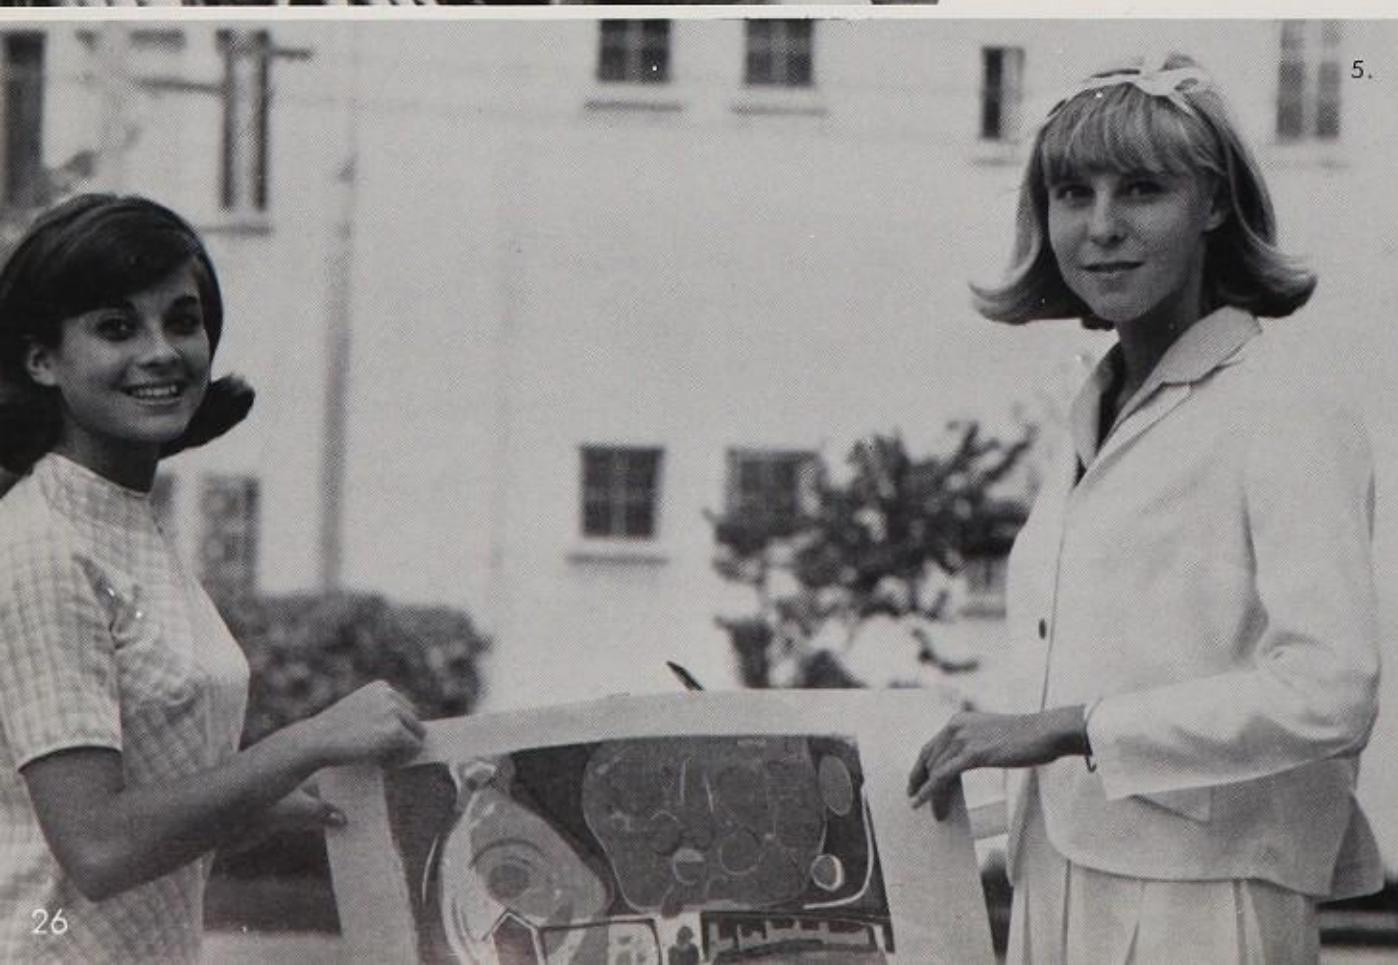

The opportunity of serving as Secretary of Beverly Hills High was a challenging and exciting experience—one that I shall never forget.

With Terri Kaplan as President, the fall Girls' League started the year off with many exciting and fun-filled events. The first event of the year was Orientation Day. Little sisters met their big sisters and then proceeded to the Student Activity Center, where a beautiful fashion show was presented. Instead of celebrating Hello Day in the traditional manner, a new name as well as a new twist was added. Mum Day gave every boy in the school the opportunity to be the biggest flirt and to get a trophy for his efforts. At the after-school dance the traditional class songs were sung, and the friendliest couples were announced. Halloween, a holiday usually ushered in by ghosts and goblins, gained its yearly entry by way of the Witches' Weenie Bake. Christmas would not be so merry without the dolls and other gifts from the Girls' League sponsored Albion Street Drive. Another Christmas activity was a breakfast for the Non-Certificate Help. Besides publishing the "Beverly Belle," a Girl of the Month Contest was sponsored, with the honor going to one girl from each class per month. The Girls' League, which had an eventful and successful semester, can certainly be proud of its accomplishments.

Under the outstanding leadership of President Tony Drewry and sponsor, Mr. David Fish, the fall Boys' League Cabinet planned and executed many outstanding events. They began the semester with an Orientation Day. An Armed Service panel was held in order to acquaint Beverly boys more thoroughly in this field. The league also sponsored a drive to collect magazines for Juvenile Hall. In the sports field, the league sponsored a bowling tournament, as well as showing World Series films during boys' physical education classes. When Christmas time came, the league successfully sponsored its annual Book Drive. Since this year is the fiftieth anniversary of Beverly Hills, the Boys' League did something a little different from the usual. Along with this semester's Norman Newsreel, they presented a newsreel made by Normans in 1940. The fall semester certainly proved to be an exciting and fun-filled one for all.

Each day this spring has been exciting for me as A.S.B. President. Now as the year ends, these daily excitements have matured into enthusiasms and satisfactions. Reflecting back on this semester, I am proud of how much we accomplished as a student body. Of course this semester has been guided by the desire to bring adventure and rewards to all of you. The record of spring activities demonstrates the fulfillment of the rich potential of student government: Club Week; the outstanding and varied assemblies; our night time feature entertainment; the exciting use of publicity and bulletin boards; the greatly expanded opportunities under the Commissioner of Culture; our participation in the Scholarship Foundation for Beverly's Summer session abroad; and our part in the war on A.B. 46, the school district consolidation bill. I have found my enthusiasms and satisfactions in these accomplishments. My appreciation extends to many — Helene and Gary upon whom so much so successfully depended, a very able cabinet, and the Administration for their constant support. Most of all, the memory of the pleasures which were mine while in office shall always remain with me. I thank the student body for this opportunity and this great honor.

Cordially,

Danny Yergin

The spring semester's Boys' League Cabinet, headed by Leland Faust, was in charge of many of the school functions. Early in the semester, the boys began preparing for the Norman Newsreel. This year, for the first time, the entire Junior Welfare Drive was in the hands of students. Larry Wohl, acting on behalf of the Boys' League, was the chairman of the Drive. Terry Cantor, Commissioner of Athletics, arranged the basketball free-throw contest and the intramural wrestling meet. In June the Boys' League sponsored the faculty-student softball game. The cabinet also served as waiters at the Girls' League Banquet, "The King and I." The other officers included Robert Saffren, vice-president; Chuck Bergman, secretary; and Dave Ilfeld, treasurer. Under the leadership of these boys, the League had a highly active and successful semester.

The Girls' League kicked off the spring semester with a father-daughter banquet with the theme "The King and I." President Roxie Penn, along with her other officers — Nancy Levin, vice-president; Joanie Lesser, secretary; and Karen Schwartz, treasurer — participated in an all Southern California convention in San Diego, where they exchanged views and ideas with representatives from various high schools in the region. Other activities of the semester included two joint meetings of the seven committees, a workshop where girls discussed ways of improving the league, and a mother-daughter fashion show that displayed the latest spring styles. The league also had a pot luck supper, and to conclude a busy and active semester, they sponsored Beverly's annual Cotton Day.

Co-sponsored by Mrs. Romaine Pauley and Mr. Steve Miletech, Beverly's Student Court gives students a larger voice in running their government. The nine members of the court, appointed by the student body president, determine the disciplinary action for Normans who have broken school rules. Student Court gives the offender a chance to be tried by his peers rather than by an adult. Serving on Student Court under Chief Justice Rich Quint are senior justices Roger Acheatel, Kim Guggenheim, Dee Dee Jameson, and Jim Tomarken; and junior justices Mary Goodstein, Ed Phillips, Tina Schnee, and Ron Shurin.

The 1963 Varsitymen got off to a slow start, falling victims to the Pioneer League Champs, Lawndale, 13-0. With two weeks to prepare for West Torrance, the Normans were able to rout the Warriors 19-7. John Erdhaus played his best game of the season, and received for his efforts the LA Times Prep Player of the Week Award.

In the league opener, the pigskinners fell to an overpowering Leuzinger team, 39-0. The locals second league encounter proved to be too much, as they just couldn't keep up the pace with highly rated Inglewood, 27-14. At North Torrance Beverly was again handed the short end of the verdict, this time 26-7.

The locals finally got into the win column at Morning-side where they defeated the Monarchs, 14-7. Returning to Herreid Field, the Normans were upset by their arch-rival Culver City, 6-0.

Playing their final season for Normandy were seniors John Erdhaus, Craig Huff, Mark Rabwin, Jeff Lapota, Al Shanedling, Mike Withey, and All-Leaguer Bob Eagle. Returning for what promises to be a most satisfying season will be Bob Murphy, Roger Gordon, Dana Huff, Warren Tetley, and Lyn Konheim.

bee football

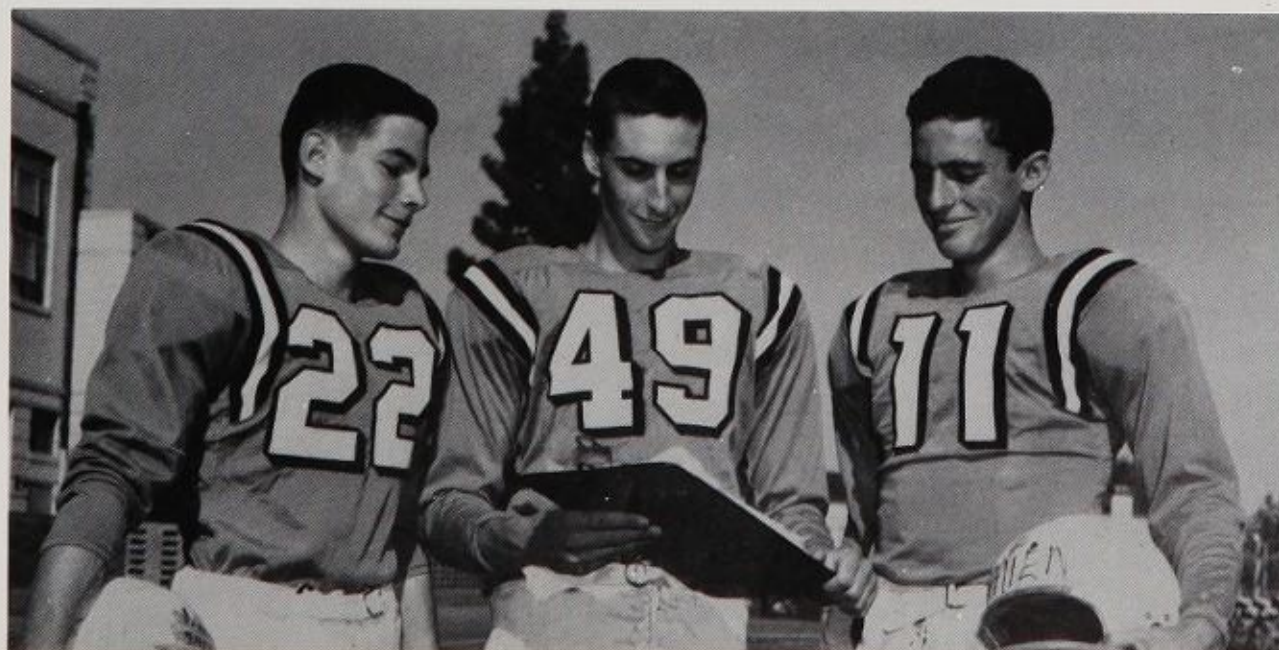

Plagued by lack of team depth and inexperience, the Bee footballers had tough going in their initial year in Sky League competition. Untimely penalties and key injuries were the ingredients in the local's downfall. Game after game the Norbabes were penalized in excess of 80 yards, and key injuries to sophomore backs Steve Lieberman and Louis Mellini consistently hurt the Bees.

Although the team as a whole did not enjoy what one could call a successful season (0-5 in league), the gridmen did have many fine individual performances. Fullback Howdy Kabrins, captain Craig Wald, and signal-caller Robin Allen were the workhorses of the backfield. Looking good on the line were tough tackle Leo Lesser and hard fighting freshman guard-linebacker Jerry Peck.

With much experience gained last fall and 17 returning lettermen, the Norbabes should be definite contenders for the 1964 Sky League Crown.

Top row, left to right: Dave Rickles, Dennis Shields, John O'Keefe, Howard Erenberg, Jon Greenwald, Mike Fracter, Alan Rosenthal, Bob Lee, Louis Mellini, Dave Shanedling, Mike Starler, John Lucas, Neil Snyder, Jorge Bueno. Bottom row: Dave Eagle, Marty Nislick, Al Steier, Howdy Kabrins, Sam Applebaum, Dan Feldman, Ross Friedman, Robert Saffren, Dave Gold, Jerry Peck, Bruce Friedman.

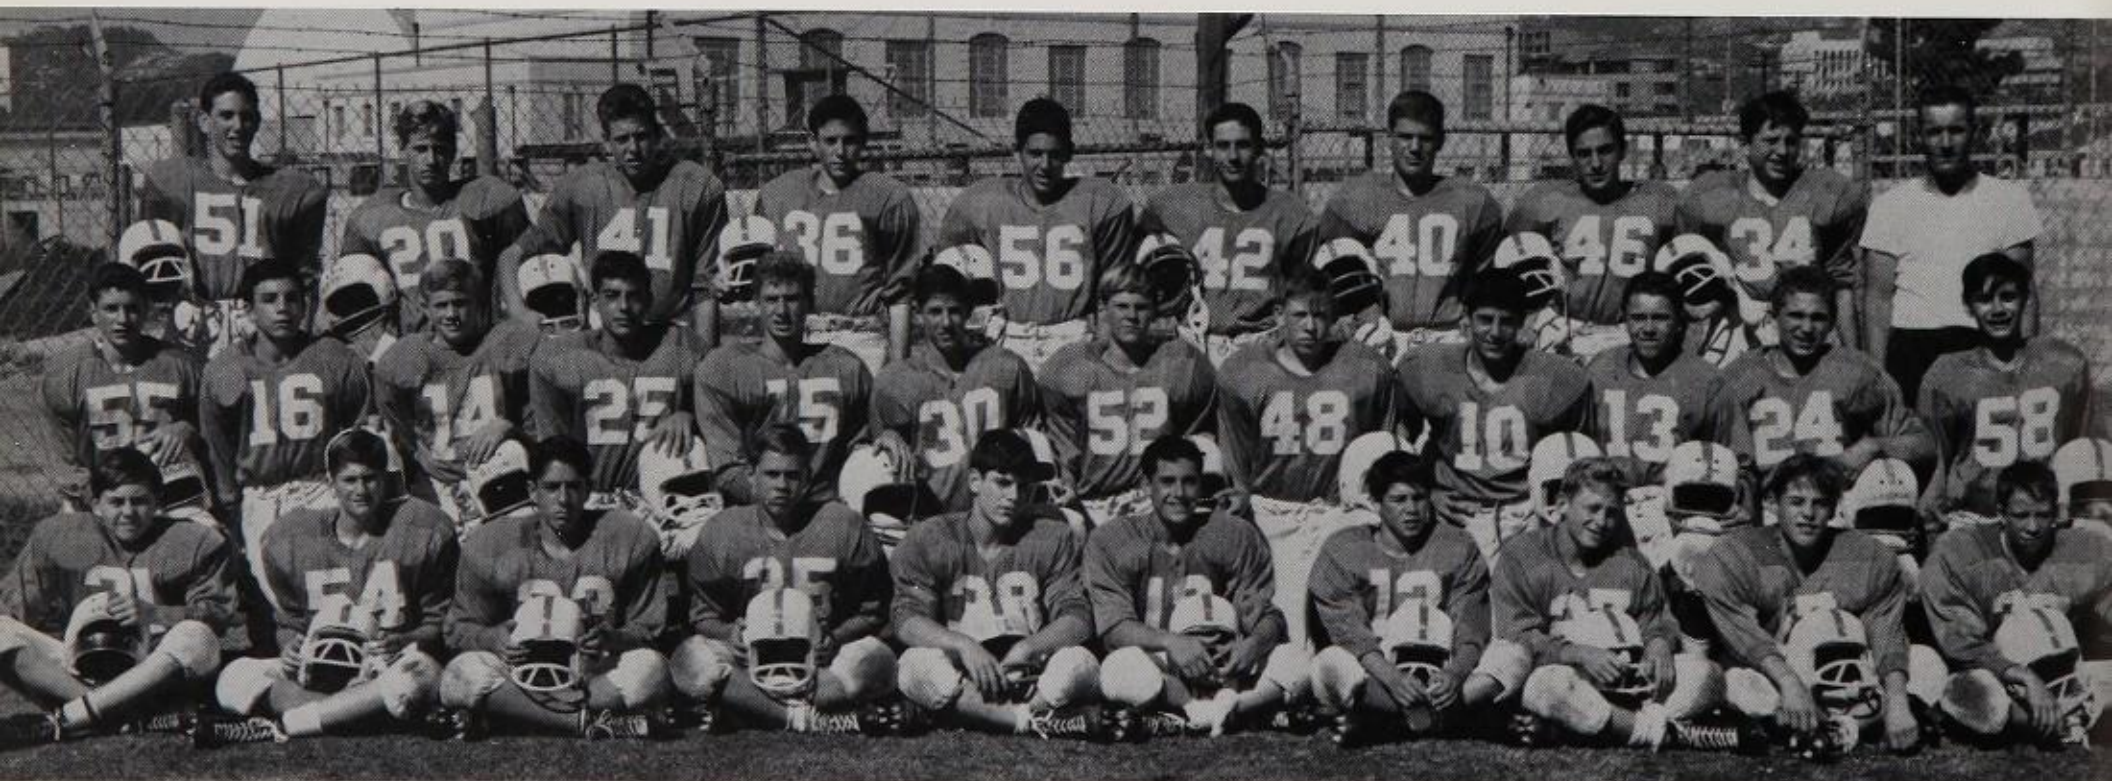

Going over offensive strategy are Robert Saffren, Jack Yellin, and Robin Allen.

cee football

Finishing the season with an overall record of 1-5, the Cee's didn't meet up to what Coach Dick Schreiber felt would be his best team in several years. Although the campaign yielded only experience, this may prove important in the next few years to such players as Ross Bagdasarian, Nick Berman, Neil Borin, Rudy Lacoe, and Gary Tobey. The season was highlighted by the gridders' lone victory over Lawndale, 7-0.

Captain Gary Tobey and Co-Captain Ross Bagdasarian go over starting line-up with Coach Dick Schreiber for Lawndale game.

Cross Country's top five: Errol Stambler, Dave Goldman, Jeff Pop, Dan Shirn, and number one man John David.

This year's Harriers, ending their campaign on a muddy track, had to settle for third place in the league finals. However, the runners should receive credit for their fine performances in dual meets, emerging with a record of 4-2. With only three of the top men departing, the outlook for next year will be ex-

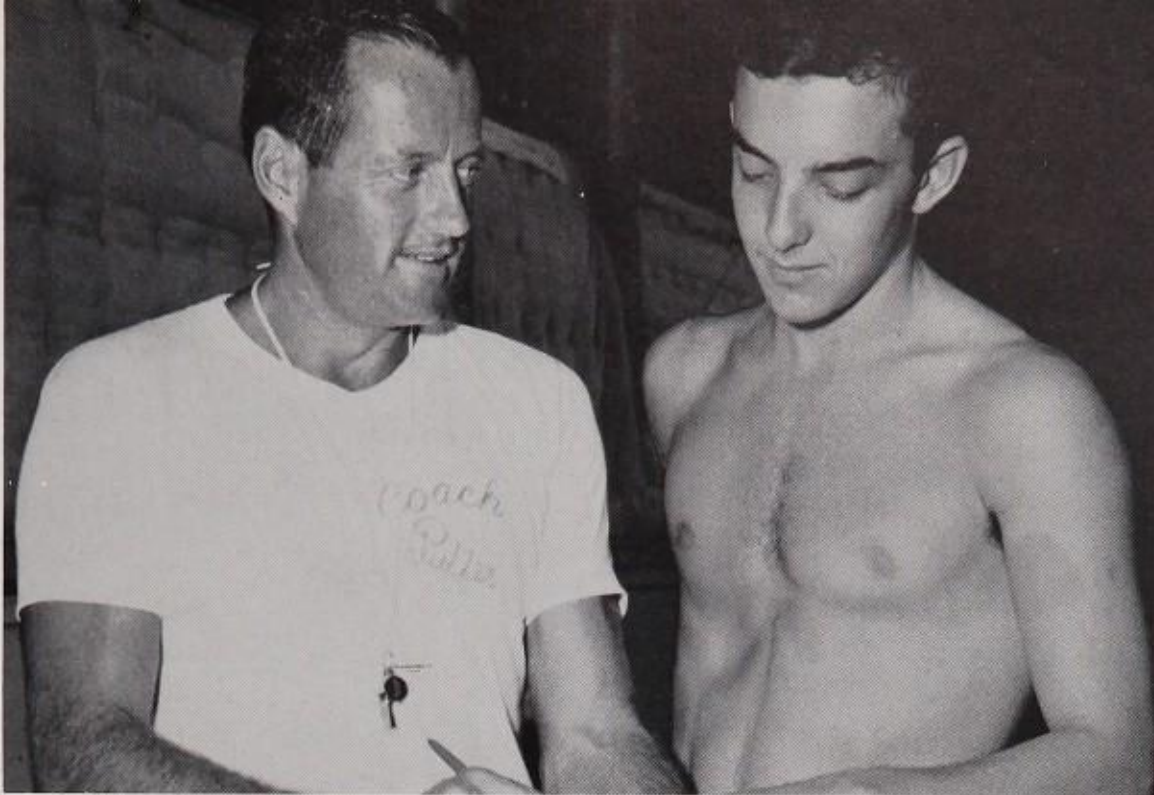

tremely good, having the core of the squad returning.

Running under the junior varsity banner were Robert Friedman, Tom Morton, Dave Ford, and Ken Baldwin. With work and sweat these performers enabled the squad to finish third in league finals.

varsity water polo

The 1963 Varsity Water Polo season was one of the most successful campaigns since Coach Walt Puffer initiated the sport at Beverly in 1959. The tankmen won six games, while losing only two in league competition. The two losses came at the hands of the League Champs, El Segundo. Consistent hard work by Gordon Evans, Rich Haft, and Jacques Leslie enabled the locals to enter CIF competition. In CIF playoffs, the aquamen were beaten in the first round by a strong Lakewood team, 11-2. The highlight of the year came at the end of the season, when four members of the squad were selected for the first and second All Sky League Teams. Captain Leland Faust and forward Norton Wisdom were picked for the first team, while goalie Phil Weintraub and center-back Dave Schumann were placed on the All-League Second Team. Faust, outstanding player on the squad, was also awarded the Varsity Club Trophy.

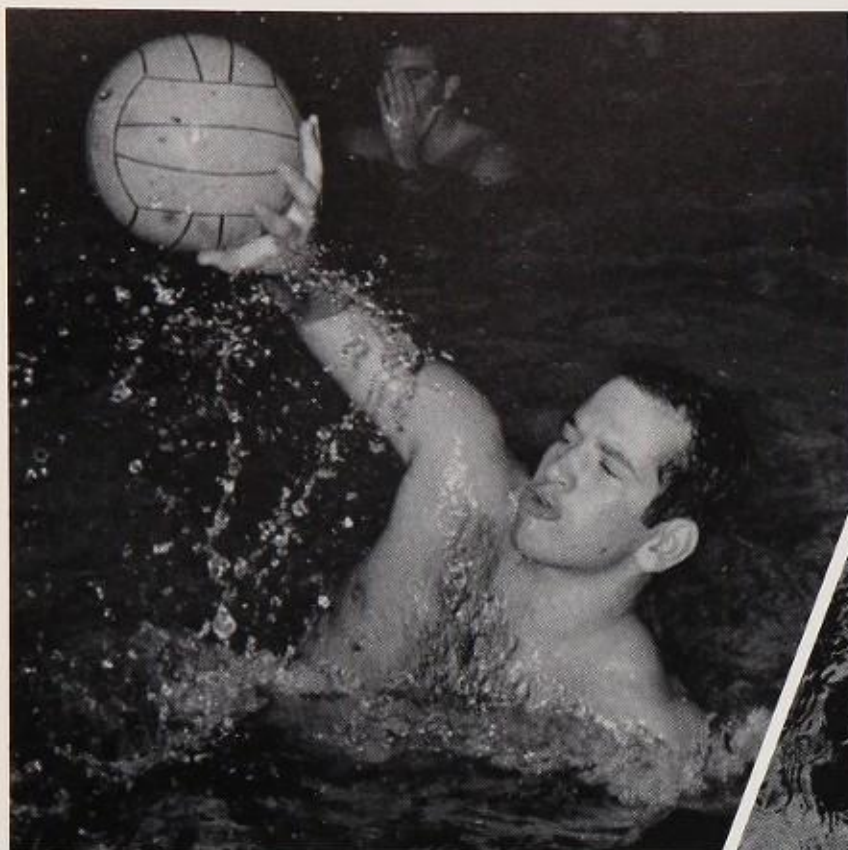

Coach Walt Puffer and Captain Leland Faust go over game strategy.

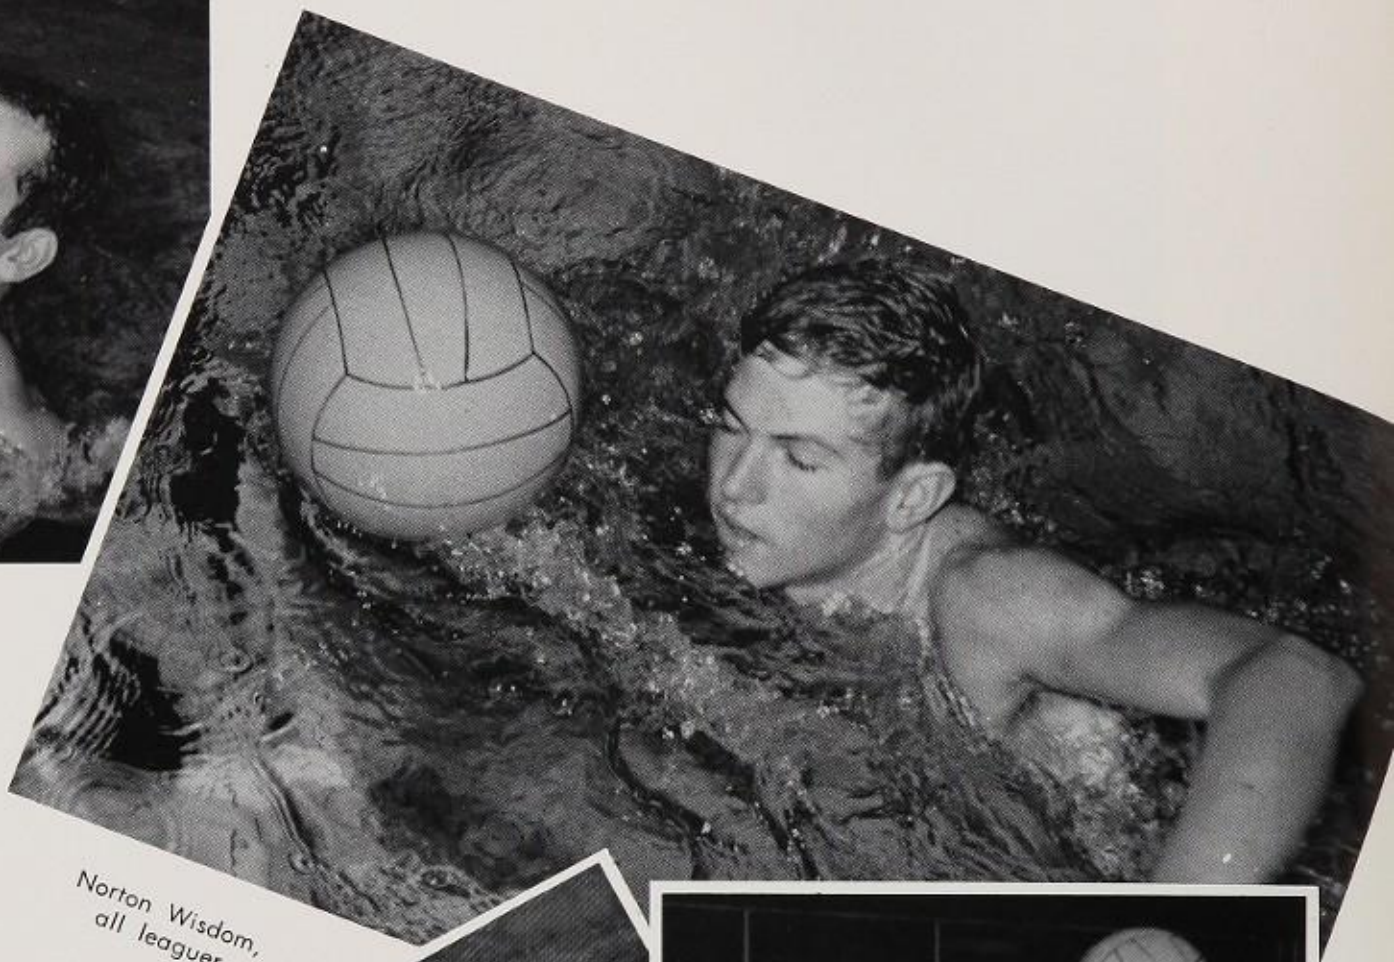

Top row, left to right: Chuck Bergman, Gary Ezor, Jerry Jolton, Jeff Peters, Lee Harris, Rich Haft, Andy Miller. Bottom row: Coach Walt Puffer, Gordon Evans, Larry Ach, Jacques Lesile, Leland Faust, Norton Wisdom, Phil Weintraub, Dave Schumann.

Coach Walt Puffer had his most successful Bee Water Polo team last fall, as the aquamen finished their campaign deadlocked for the League crown with the El Segundo Eagles. Victorious in all but one contest, the polomen avenged their previous loss to the Eagles by winning the last game of the season in double-overtime, 12-10.

Dave Gersh, with 41 goals, and Larry Sheridan with 37 goals, paced the H₂O men and should give next year's Varsity squad a big lift. Seniors Dave Beber and Tom Brody played aggressive ball and will be greatly missed next year. Rounding out the starting seven were juniors Bob Gorelick and goalie John Allen, and sophomore Dave Goldsmith.

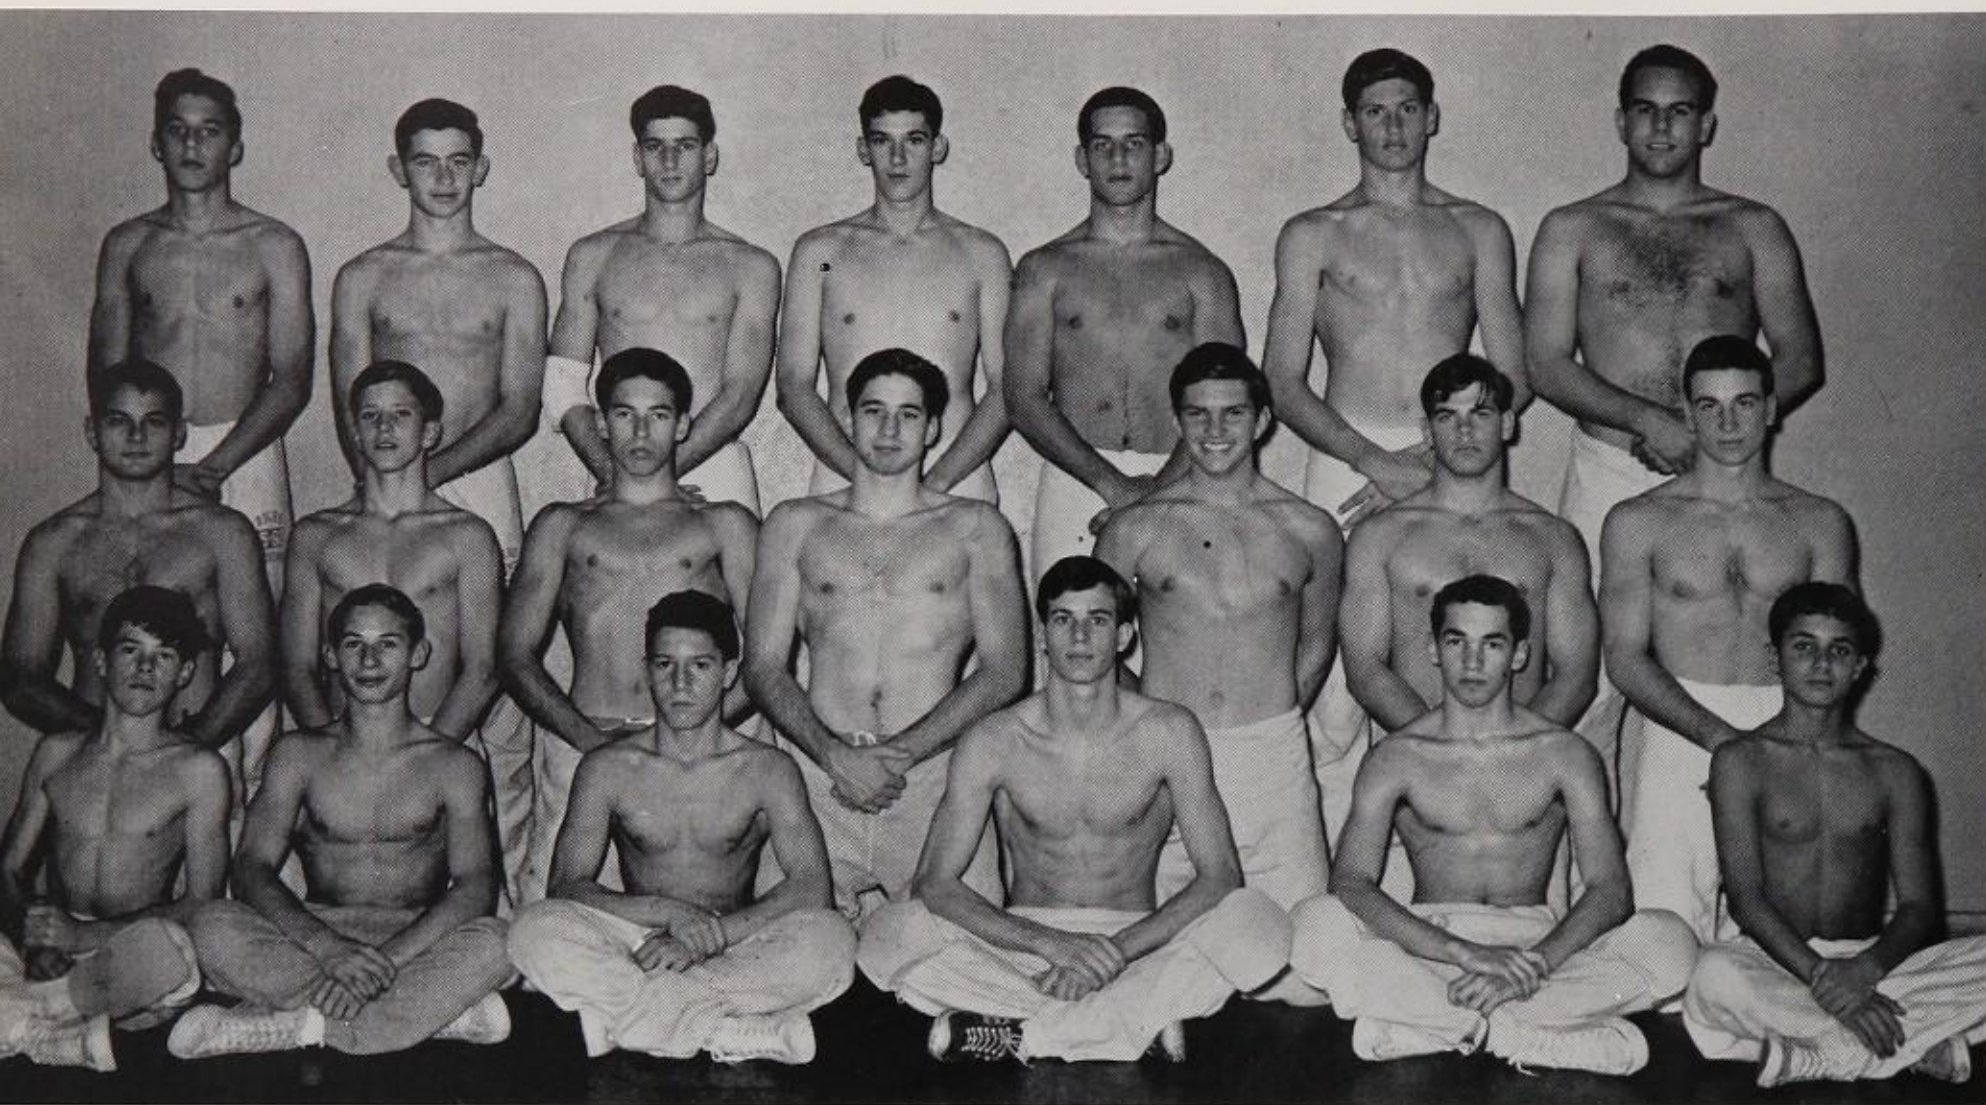

the cee team

Top row: Coach Puffer, Dennis Beck, Zach Franks, Dave Livingston, Ross Bowen, Mike Morgan. Middle row: Elliot Sacks, Bill Kolton, Mike Bloomfield, Bruce Meade, Mike Salter. Bottom row: Stu Blumkin, Harry Fleishman, Larry Sheridan, Jim Brenner, Barry Greene.

The Cee Water Polo squad, like the Bees, enjoyed its most successful season since Coach Puffer took the helm five years ago. Tying for the League crown with El Segundo, the poloers were sparked all year long by high scorers Barry Greene and Mike Bloomfield, with 37 and 33 goals respectively. These fine forwards will be trying to earn a spot on the Varsity squad next fall. Rounding out Coach Puffer's most successful Cee team were Bill McNeil, Dennis Beck, Elliot Sacks, Bob Rosenberg, and Zach Franks.

Varsity Wrestling: Top row; left to right: Al Ziman, Robert Friedman, Jay Stone, Jorge Bueno, Mark Spiegel, Robert Loew, Greg Finley. Second Row: Tom Morton, Keith Evans, Ed Philips, Mike Birnbaum, Marc Judson, Bernie Saffren, Lyn Konheim. Third row: Winston Burbank, Mike Tobey, Phil Swartz, Howard Slayen, Lee Richman, Rick Genson.

The 1964 wrestling squad had a satisfying year in their first season in the new Sky League. With their coach, Tom Gutman, the grapplers managed a winning campaign. In the 98-pound class, Ricky Genson did a superb job match after match. Returning letterman Mike Tobey came through in the tight clutches in the 115 weight class. Taking over for Greg Finley, who was injured early in the season, junior Jesse Neighbors strengthened Beverly's heavyweight class. Four-year letterman Bob Saffren suffered an injury early in the year, but came back to thwart off League opponents. Other tough grapplers included: Bob Friedman, who placed second in the Simi Valley Tourney; Mike Birnbaum; Tom Morton; Jim Reubin; and Mark Spiegel.

coach tom gutman

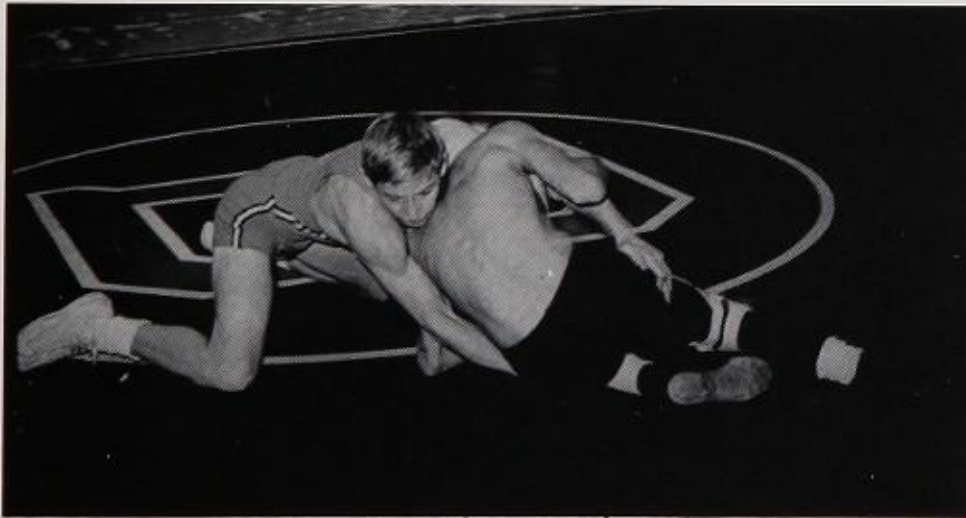

Newest of the Norman coaches, Mr. Tom Gutman handles the Beverly football defensive unit in the fall semester and the wrestling squad in the spring. A graduate of UCLA, where he majored in physical education and participated in the 1962 Rose Bowl game, Coach Gutman demands hard work from both his athletic squads and PE classes.

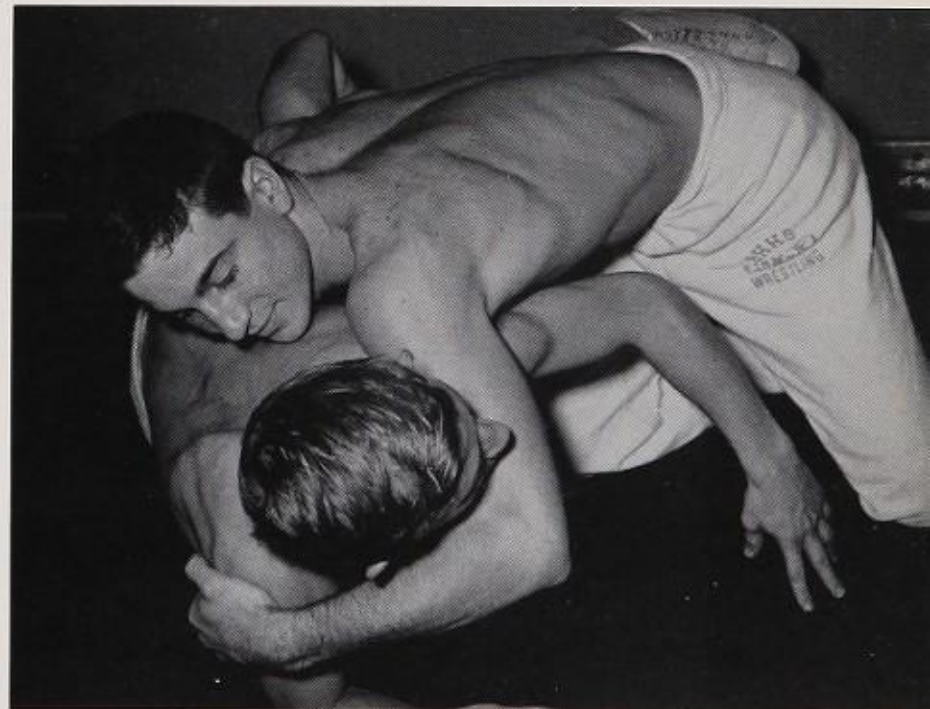

Front row, left to right: David Livingston, Mike Wike, Robert Goldman, Rich Gallegly, Alan Hamilton, Barry Byrens, Andy Heyward, Kim Friedman, Peter Orgell, Frank Rose, Neil Scholsberg, Ross Bowen. Starting league play with a mark of 5-5 in practice games, the casabamen lost their first four games to strong teams from Culver City, Leuzinger, North Torrance, and Inglewood before finding the win column against Morningside, and ended up 1-4 at the halfway mark. For the first time in 4½ years, Beverly's Varsity Basketball squad beat their arch rival, Culver City, by a score of 56-54. Having won two games in a row, the Reillymen traveled to Leuzinger, and upset the second place Olympians 62-51. North Torrance came next, but the Saxons were able to hold on for a 48-46 victory over the locals, their slimmest of the season; North went on to take the league crown with a perfect record of 10-0. The Varsity quintet consisted of Warren Tetley, Mike Withey, Sandy Marks, Dave Mann, and Al Meyer. Rich Koskoff and Dave Hochman gave valuable assistance to the starting five. Tetley was later selected on the All Sky League First Team as the Normans wound up in 4th place.

Reeling off seven victories in a row before running into mid-season trouble, the Jay Vee's finished their league campaign with a fine record of 6-4, good enough for a second place in the newly formed Sky League.

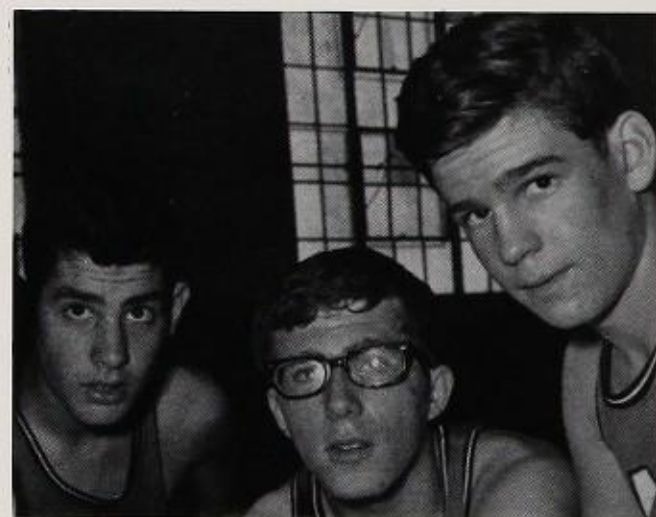

Thoughts of the league-championship that "might have been" must have passed through the cagers' minds as they recalled the two defeats they suffered at the hands of league champs, North Torrance. Highlights of the season were accomplished as the battling Normans conquered their arch rival, Culver City, twice. The victorious quintet consisted of Gene Seltzer, Larry Schwartz, Roger Gordon, Ron Feldman, and captain Jim Warsaw.

Compiling a record of 6 wins and 4 losses in League play, the Bee Basketbblers tied for second in tough Sky League competition. North Torrance deprived the Norbabs of the League crown as the cagers fell twice to the Saxons, 43-33 and 60-48. The only other league losses were at Culver City, where a buzzer shot beat the hoopsters, 54-52, and at Morningside where only 2 starters started, and illness kept the other 3 out. The highlight of the season came at Torrance Bee Tournament, where All-Tourney selection Mike Sokol led the Bees to a Consolation Championship. Helping to make this season a great one for Coach Schreiber were high scorers Burt Sobelman and Mike Sokol, rugged rebounder Greg Boucher, and quick guards Bob Warsaw and Rich Weston.

coach richard schreiber

Coach Richard Schreiber has been quoted as saying, "Give one hundred per cent of your effort, one hundred per cent of the time, and the winning or losing will take care of itself." Coming to Beverly in the fall of 1958, he immediately took over the coaching chores of the Bee and Cee Basketball squads, assuming the helm of the Cee Football team in 1959.

The most unrecognized of all our basketball teams made the finest record a Beverly cage team has had in a long time. Employing a full-court zone press and a fast break attack, the Cees roared through their season with an unbeaten record of 15-0. For each game a new hero seemed to emerge as the Norbabes fought to preserve their unblemished record and later their league lead.

In the first Morningside game the victory string was almost broken as the squad was forced to battle from behind to gain win number ten, 52-47. The Cees downed cross town rival Culver City twice, 63-15, and 56-31. Although the squad, led by Gary Tobey, Ralph Punaro, Bruce Meade, Irv Zakheim, and Neil Borin, was plagued by lack of height, they were able to cop the league crown with hard work and hustle!

Last season's Varsity Baseball campaign was one of the most successful in recent years. Under their new mentor, Coach Chris Flanagan, the horsehidors found pitching to be their strong point. Southpaws Robin Allen, Sandy Marks, Lee Robinson, and Stu Sandler dominated the mound crew, while right-handers Ken Adlam and Greg Willardson backed up the portsiders. First base was handled by Jim Wiatt and Dave Hochman, while two-year Letterman Rich Haft covered second base. Newcomer Lou Mellini plugged the hole at shortstop, and Bob Murphy took charge of third base. Three-year letterman Warren Tetley called the pitches from behind the plate. Outfielders Jeff Fields, Steve Fader, and John Erdhaus added offensive as well as defensive strength to close the Norman nine.

Coach Chris Flanagan has been familiar to Norman boys for the last fourteen years. Arriving at Beverly, he inherited the task of coaching Varsity Football, J. V. Baseball, and Bee and Cee Basketball. In 1956 he became head coach of the track team. At present he is head mentor of the Bee Footballers and Varsity Baseballers. In his own words, Coach Chris Flanagan sums up his life, "It's been a versatile one, but I can't complain."

Normandy's Junior Varsity Baseball squad gave their Coach Chuck Reilly a season to remember. With five returning starters on the squad that won five of their last seven games in 1963, the horsehidors really showed their potential in their first practice tilt, when they bombed out twelve hits in routing a tough Hollywood nine, 13-4. Mainstays of the pitching staff were Randy Harrison, Jack Yellin, and Pete Laven. Swinging a big bat for the Normans were Jim Warsaw, Bob Liebenau, Chuck Bergman and Ross Bagdasarian.

With a possible Sky League Championship in sight the cindermen rolled through the first two meets of the season, routing Torrance, 84-20, and El Segundo, 80-24. Although the squad lacked experience, it was loaded with talent. Supplying power in the field divisions were Gary Coppin, shot put; Kim Guggenheim, pole vault; and Howard Waldow, high jump. Track events were led by John David, Dan Shirn, and Jay Stone, mile; Buddy Somers, sprints; David Goldman and Marshall Wolff, half mile; and Errol Stambler and Wayne Liebman, quarter mile. Highlighting the early season performances was hurdler Larry Hart tying the school low-hurdle record of 19.6 seconds.

Two seniors who will be missed next spring are miler, John David, and sprinter, Buddy Somers.

Coach George Egan, Beverly's Cross Country and Track mentor, is certainly a versatile individual. Besides keeping up with the tough chores of handling the harriers and cindermen, Coach Egan has been teaching math and science since his arrival at Normandy in 1955. Coach Egan constantly tells his proteges, "Athletics is a contest to see who can stay the healthiest the longest."

bee track

Rolling over Torrance and El Segundo in their first two meets of the season, the Bees gave fair warning to Sky League opposition that they were a team to be reckoned with. Led by high-jumper Dave Gold, long-jumper Barry Zitnick, and three-quarter miler John Isen, the Cees slipped by a surprised Torrance squad, 46-39 in their first meet and then thrashed El Segundo, 61-25. Although the tracksters went down to defeat in their third encounter, a tri-meet affair, the outlook seemed to point to a successful season for Coach Egan's boys.

"Participation in athletics can be one of the most valuable experiences in our educational program," states Director of Athletics, Walt Puffer. Before coming to Beverly in 1953, he attended UCLA, where he took many honors on the water polo and swimming teams. In 1959, Coach Puffer initiated water polo at Normandy and it has played an important role in athletics ever since. Besides handling the water poloers, Coach Puffer also finds time to train the swimming squad.

varsity swimming

Led by four year letterman Leland Faust, Beverly's Varsity swim team had its' traditional fine season in their first year in the new Sky League. The competition was tough in all events, but with several returning lettermen, the nucleus of a successful team was there. The splashers were paced by Faust in the butterfly; Rich Gross in the individual medley and breast stroke; and Dave Beber and Jacques Leslie in the distance races. Many of the seniors on the squad proved to be helpful in placing Norman Varsity swimmers high in League standings. Lack of depth seemed to be the only factor in stopping Coach Walt Puffer's tankmen from being one of the finest teams in Normandy's rich swimming history.

bee swimming

Gaining a year of valuable knowledge and experience, the Bee swimmers fought hard all year long. They were sparked in early season by two relay teams which competed in CIF finals. Composed of Larry Sheridan, Norton Wisdom, Morgan Modine, and Howard Erenberg, the Bee breast stroke team placed fifth in that meet; while the butterfly team with Gary Shapiro, Mike Bloomfield, Bill Kolton, and Dave Beber also raced in the relay finals. Turning in many fine performances for the Bee tankmen were Mike Dolgin, backstroke; Bob Gorelick, freestyle; and Zack Franks, distance races.

The Cee swim team was well on its way to a successful season after giving some tough competition to such formidable foes as Santa Monica and Long Beach Jordon. Leading Coach Puffer's mermen were Larry Sheridan, breast stroke; and Bruce Meade and Elliot Sacks, free style. The Cees strove hard to get the coveted League crown, displaying fine individual performances and gaining valuable knowledge and experience to help out the Varsity squad in future years.

Under the leadership of their coach, Lou Hart, the team posted a fine season record. Rounding out the squad were Mike Bendix, Dick Parker, Jim Pocrass, and Rick Salzman.

GAA

This year's Girls' Athletic Association was led by Helene Marcus and Reggie Salzberg. The organization offered girls an opportunity to participate in athletics beyond the daily gym period. To be selected for membership a girl must receive either an A or B in physical education classes and must have the desire to participate in extra-curricular activities. The major activities this year consisted of sports playdays, the Mardi-Gras Dance, sales, and an inter-school council of G.A.A. boards in the Sky League. The tennis team, drill team, swim team, and terpsichoreans are incorporated by this group sponsored by Mrs. Deanne Johnson.

Special features included a weekly Senior Citizen column and news of special events in the L.A. area. Journalism advisor, Mr. Kenneth Gelms, and technical advisor, Mr. Richard Jackson, helped to maintain "Highlights" always high standards of journalism.

Co-editors Susie Adelman and Terri Kaplan successfully led this year's capable WATCHTOWER workers in the complicated job of producing a distinctive annual. Art activities were headed by Sheryl Frankel and the literary accomplishments were supervised by Barbara Steiner. All worked diligently to capture the highlights of the year in pictures and stories. Sponsored by Mrs. Arnita Albright, the staff dedicated itself to the creation of a colorful yearbook, enjoyable to the entire student body both now and in the years to come.

The Forensic Squad, under the sponsorship of Mr. Allen Klotz, again had another successful year. The squad, originally created to help those who desired to improve their speaking skills or solve speech problems, has accumulated more than 300 awards during the last twenty-five years. It provides the students with experience in public oration when they enter the interscholastic tournaments. The various sections in which one can participate are debate, original oratory, dramatic interpretation, humorous interpretation, extemporary and impromptu speaking. The ultimate goal of Forensics, headed by President Robbie Brenner, is to qualify for the state wide tournament held annually at Santa Barbara.

CAROUSEL

On April 24th and 25th the departments of Drama, Art, Music, and Dance blended their talents and came forward with one of the most beautiful and effective performances ever presented at Beverly Hills High School. "Carousel," by Richard Rodgers and Oscar Hammerstein II, delighted capacity audiences on both evenings as well as pleasing a full house of Beverly Hills elementary school students who viewed the final dress rehearsal on April 23rd. Starting with advance publicity featuring a gay Gazebo from which "Carousel" selections were played, tickets were sold for three weeks before the performance. Approximately two hundred fifty students worked from early February until performance date. Every phase of this successful entertainment was designed and constructed by Beverly students. We are proud to present here the names and faces involved.

The annual Christmas party at Albion Street School, sponsored by the Girls' and Boys' Leagues, was its usual success. A.S.B. President, David Mann, acting as Santa Claus, gave each child Christmas greetings and patiently listened to their hopeful wishes. Toys, stockings filled with candy, and pens were distributed as the Beverly students sang and played with the children. The principal received checks from the student body and the P.T.A. The Christmas spirit shown by the Normans was greatly appreciated, and each child always remembers this joyful day.

At the PTA assembly early in the first semester, those above displayed what the well dressed Norman athlete wears. They were, left to right: Dave Ilfeld, Johnny David, Mike Tobey, Leland Faust, Larry Hart, Jim Tomarken, Bob Murphy, and Ken Adlam. Above right, Richard Koskoff and Terri Kaplan are sports minded, while below, Martie Lapidus and Dave Mann are ready for a dance.

Other assemblies featured the Forensic Squad and orchestra in the Veteran's Day program, the combined music department at Christmas, and the Men's Glee Club from the University of California at Berkeley.

Below: At the Thanksgiving Assembly on November 27, the flag was draped with black as the Madrigals, A Cappella Choir, and Minnesingers performed. Their voices were never more beautiful.

the band

Beverly's spirited band, under the leadership of Mr. George Wright, gave musical support to Norman rooters throughout the football season. Brilliantly attired in their new orange and gray uniforms, the thirty band members could be heard and seen on the field at halftime accompanying the drill team spirit leaders. With Jacob Sperber as field director and Steve Feldman as assistant, the band contributed much to the enjoyment of its listeners and is indeed an enthusiastic group.

the orchestra

Again this year, Beverly can be proud of its fine orchestra. Under the experienced direction of Mr. George Wright, it contributed immensely to the pleasure and enjoyment of the students. The Fall and Spring plays, the Spring Concert, and various other assemblies displayed the great ability of the group. High praise was won, too, at the elementary schools, where the orchestra performed for the benefit and interest of future Normans. The tradition of excellent performance in the district and regional music festivals continued this year also, and Normans can indeed look upon the group as one of superior quality.

The Thanksgiving Assembly.

Musically inclined Normans with fine voices have organized themselves into a group called the Madrigal Singers. Throughout the year members practice diligently each day in the music wing under the fine leadership of Mr. Robert Holmes and Mrs. Rena Hubbard. One of the highlights of their year was the annual Board of Education and Chamber of Commerce songfest. Last year they had the privilege of traveling to Hawaii for spring vacation to present concerts in the Honolulu school district. In return the Madrigal Singers of Hawaii visited Beverly Hills High School late in June.

the minnesingers

New this year, the Minnesingers have already taped a half hour broadcast on station KFI.

One of the highlights of the school year is the **Norman Newsreel**, which is put together by a select committee, under the authority of the Boys' League. The boys are a group of unobtrusive hard workers. Silently, but efficiently, the photography, film editing, and sound recording is done and then organized into the pictorial review seen twice a year. As sponsor, Mr. David Fish gives invaluable help toward this 30-minute semi-annual spectacle.

national scholastic art awards

Winners in the 18th annual **Scholastic Art Awards** regional competition received their "gold keys" in presentation ceremonies last February at the Philharmonic Auditorium. To culminate this contest sponsored by National Scholastic Magazine and Bullocks' Downtown, a total of 300 keys were presented to high school students for achievement in the creative arts. Also presented were 200 blue ribbon awards, the highest in the regional event. Art work winning the blue ribbon awards was entered into the 27th annual Scholastic Art Awards national competition in New York City last spring to compete for art scholarships and cash prizes. Receiving top honors for Beverly in 1964 were Ingrid Arnoldy, Karol Brandt, Randi Henning, Brenda Hershenson, Chris Paine, Laura Polayes, and Julie Scheinman.

Now in its second year at Beverly, the American Field Service Club furnishes an opportunity for students at Normandy to learn about foreign nations and to support the foreign exchange program. This year the A.F.S. club sponsored the annual A.F.S. Day on November 27. Fifteen A.F.S. students from all over the L.A. area came to Beverly to participate in a typical day at Normandy.

Dear Friends,

Beverly Hills; when I found out that I was going to spend one year at Beverly, I was so glad: near Hollywood, tennis all year around, the eternal suns. I came here and saw the school. I felt more and more pleased. Finally, you, the students, made my American Experience a delightful one. I thank you very much.

Bien a vous,
Laurent Kleiber

Dear Members of the faculty and Normans,

No words in my vocabulary are suitable enough to express the gratitude that I feel towards you all for having given me the most wonderful and memorable year of my life. The time for me to return to India has arrived, but my thoughts will always be with you; and my respect and admiration for you and your country will never cease. I sincerely wish that soon I might be able to repay you for your hospitality in so readily accepting me as a fellow student. Thank you.

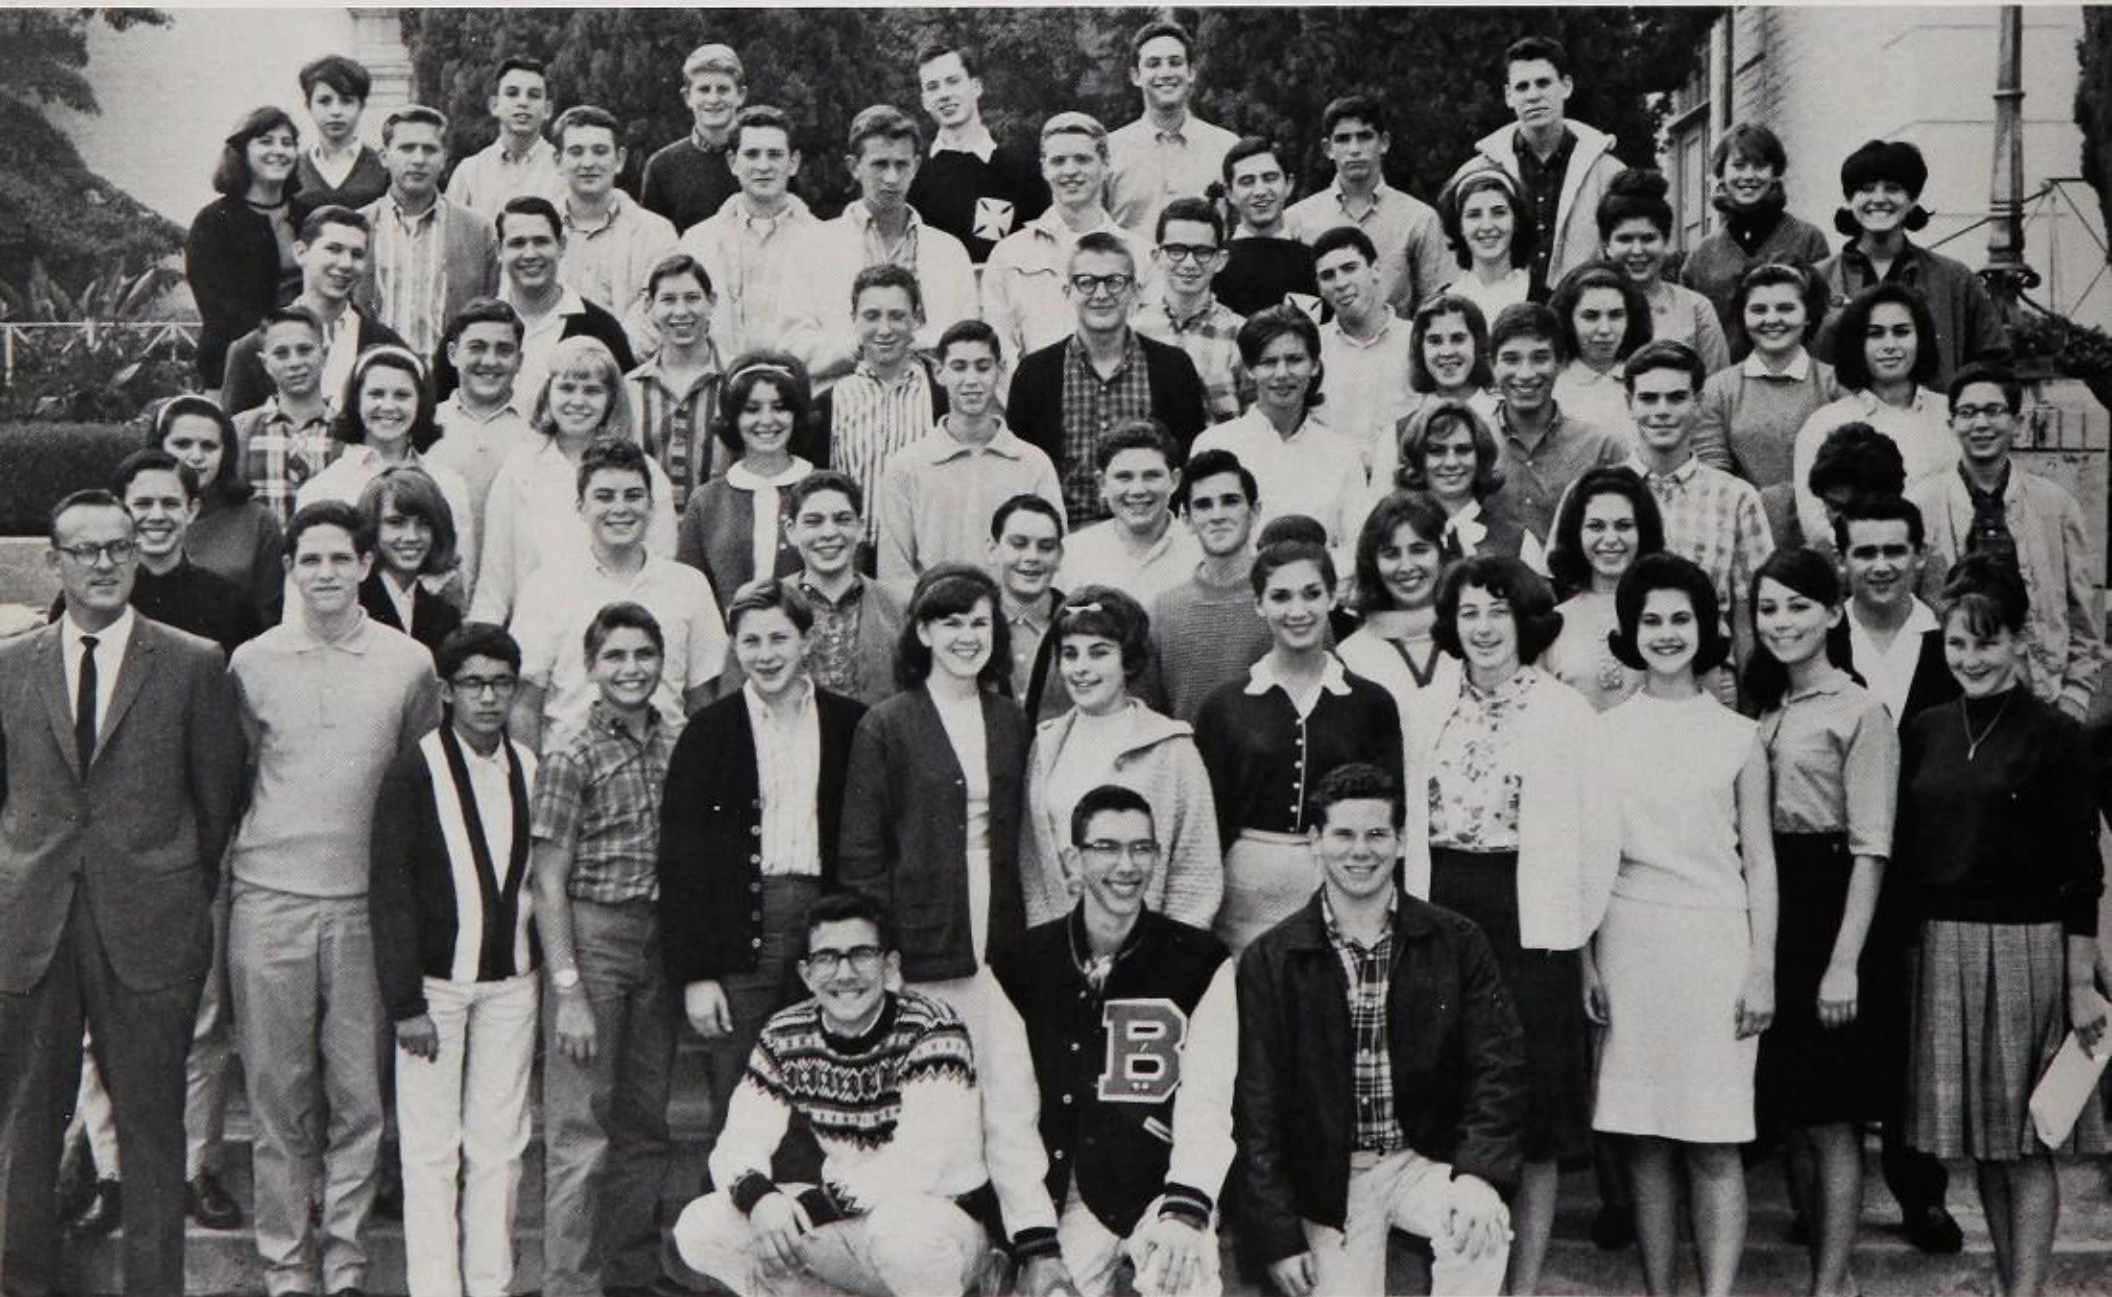

Sincerely,
Anila Sahni

The Medical Club, under the sponsorship of Mr. William Logue, gives its members a chance to explore the many opportunities in the field of medicine. Each Friday finds the club listening to lectures by prominent doctors, watching movies dealing with medicine and the medical profession, or listening to student reports. The club also visits various hospitals in the area in order to gain an idea of life surrounding the many medical fields.

lektos

Students who prove themselves superior in a particular department are awarded membership in **LEKTOS**. Each department nominates one student for every two hundred enrolled. Election of **LEKTOS** members takes place in early March, and scholastic achievement is the club's only criterion. The primary purpose of **LEKTOS** is to promote scholarship and inspire individual effort. The club is one of the oldest at Normandy. The name **LEKTOS** means "chosen one" in Greek. This year the **LEKTOS** are sponsored by Mrs. Carolyn Koistenen.

honor organizations

Freshman and sophomore girls who show a strong desire to support school functions, set a good example of honesty in the classroom, and maintain a high standard of scholarship are eligible for membership in **ADELPHIAN**, the lower division girls honor service club. The organization's duties include supervision of Beverly's lost and found and co-sponsorship of the annual Alpha-Adelphian Dance. This group, sponsored by Mrs. Gloria Creutz, also did volunteer work for the Mar Vista Recreation Center. A picnic with the Squires completed the Adelphian's year of activities.

Alpha

Membership in **ALPHA** is an honor sought after by upper division girls at Beverly. Girls are selected on the basis of school service, leadership, recommendations of both teachers and administrators, and scholarship. The services of Alphas include selling "Alpha suckers" to raise money for the Foundation for the Junior Blind, supervising a noon study hall, and in the spring semester, sponsoring a dance in conjunction with the Adelphians. This year's dance, "The Mad-Hatter's Ball," was held at the Fox Hills Country Club. Other Alpha activities of the year included the selling of cookies and brownies at the elections. The sponsor of the club is Miss Marlene Checel.

It is the desire of many junior and senior boys to become members of the **KNIGHTS**, Beverly's upper division boys' honor club. To be accepted into the group, a boy must have good scholastic rating and citizenship along with faculty recommendations. Sponsored by Mr. John Rosemond and Mr. Herbert Dodge, the primary purpose of the club is listed as service to the school in all areas. The **KNIGHTS** at Beverly have become synonymous with flag raising, supervising lunch lines, patrolling football games, and ushering at assemblies. This has been an honor organization at Beverly for the past thirty-five years. The Maltese Cross, symbol of the **KNIGHTS**, stands for leadership, service, strength of character, and fellowship.

SQUIRES is the lower division boys' honor organization. It is open to all freshmen and sophomores who have a B average or better, an excellent rating from their teachers, and a record of outstanding service to Beverly. Under the sponsorship of Mr. Salvatore Occhipinti, some of the activities of this group are to patrol the language wing during lunch, lower the flag at the end of each day, promote sportsmanship, service, and scholarship, and to co-sponsor the Knights-Squires Dance held each year.

the queen and her four princesses

For the past twenty-one years the Beverly Hills Invitational Basketball Tournament has highlighted the winter social and athletic season. This year, with the presentation of Queen Cheryl Winett and her Royal Court, was no exception. The lovely princesses were Carol Sheinkoff, Gail Marcus, Ilene Graham, and Linda Bronn. The upset-ridden tournament ended with Ventura taking the first place trophy in an exciting finale with North High.

ucla

This year about fifty Beverly Hills High School students were given the opportunity to continue with a program that was started five years ago. This program allows seniors with outstanding records to attend classes at U.C.L.A. while they continue to maintain a busy schedule at the high school. Higher education appears to offer an exciting and informative life for Beverly High students. Eighty-nine per-cent of the class of 1963 headed for college, and a higher percentage is expected from the class of '64. The scenes are of Royce Hall (above) and the library (right).

france

In the summer of 1963, Beverly again conducted its own highly successful experiment in international living and studying. Twenty-four junior and senior French students, accompanied by their faculty sponsor, Mrs. Simone Laidig, spent nine weeks on the European continent. Their itinerary included visits to England, Switzerland, Austria, Italy, and France. After seeing southern England, the group flew to Paris and Nantes, where they spent five weeks living with various French families, speaking and studying only French cultural subjects.

At the far left is Anita Prinzmetal at Windsor Castle. Next, right, is the beautiful school in Nantes, and directly above, the group is seen on a boat ride down the Loire. Mrs. Simone Laidig dons dark glasses for the trip.

beverly hills

Of the three campuses, the Beverly Hills one is most known and appreciated. Beverly is characterized by crowded halls, busy lunch lines, and studious Normans. Continuing growth of enrollment has resulted in new buildings as well as the recent innovation of the team teaching program. Through inspiring teachers and great ambitions, Beverly shall continue to rank among the best in the nation.

Remember these scenes?

ON OCCASION, THE FACULTY AND STAFF DISPLAYED THEIR LIGHTER SIDE. THE SOCIAL SEASON, '63-'64, WAS KICKED OFF AT THE FACULTY-STUDENT SPORTS NIGHT. THE NEXT GALA AFFAIR WAS THE FACULTY CHRISTMAS PARTY, WHERE MR. RABKIN DEBUTED AS SANTA CLAUS, DISTRIBUTING TOYS AND CANDY TO THE

ASSEMBLED GROUP. TOPPING OF THE FALL SEASON WAS THE DONKEY BASKETBALL GAME, HIGHLIGHTED AT INTERMISSION BY THE PRECISION PERFORMANCE OF THE P.T.A. DRILL TEAM.

the city of beverly hills is fifty years old this year.

On November 12, 1963, the Board of Education paid tribute, during its official commemoration of the district's 50th anniversary, to all those men and women whose foresight, courage, and dedication have made possible "a school system which is second to no other in the country." The teachers pictured on this page are the members of the high school faculty who have served for twenty-five years or more. The WATCHTOWER salutes them.

norman achievements

This year Beverly's CSF Quiz Bowl team, consisting of captain Tom Morton, Mark Green, Jerry Schwartz, and Dan Yergin, had the great privilege of appearing on KNXT-TV's Scholar Quiz in the first contest against San Marino High. They returned with a 151 to 73 victory. This is certainly an achievement of which we can be proud.

Arriving in Hawaii by Pan Am Jet, the Beverly Hills High School Madrigals were greeted by leis, shouts of welcome, and Kailua High School students. For more than a week over Easter vacation 1963, our singers toured the islands, giving concerts and receiving high acclaim.

Early last March Beverly's fine orchestra entered the district music festival and returned with a superior rating for more than the twentieth time. Every year since 1937, excluding the war years, Normandy's musicians have turned in a similar record.

Dear Cindy,
It's been a blast
knowing you! You're
really great! I'm
glad that you too will
be back at Beverly next
year. Have a wonderful
summer. Love,

Dear Cindy,
Have a great
summer. But
you won't even
recognize me
when you get
back.
Got my luck,
Barbara (Beak)

Best wishes
and good
luck
Jim

Dear Cindy,
I'm embarrassed
to say, but out of all
the notes you sent me
this is my first to
you! The reason is
because I never knew
how to spell "Cindy".

Cindy,
You are really
a sweet kid, stay that
way always. Have fun,
work hard, and like
your dad says, have "patience"
